# Both Sides Now

Par Paul Young & Clannad

*Album : Top 40 En Tipparade uit 1992*

Rows and floes of angel hair

And ice cream castles in the air

And feather canyons ev'rywhere

I've looked at clouds that way

But now they only block the sun

They rain and snow on ev'ryone

So many things I would have done

But clouds got in my way

I've looked at clouds from both sides now

**From up and down, and still somehow**

It's cloud illusions I recall

I really don't know clouds at all

Moons and junes and ferris wheels

The dizzy dancing way you feel

As ev'ry fairy tale comes real

I've looked at love that way

But now it's just another show

You leave 'em laughing when you go

And if you care, don't let them know

Don't give yourself away

I've looked at love from both sides now

From give and take, and still somehow

It's love's illusions I recall

I really don't know love at all

Tears and fears and feeling proud

To say I love you right out loud

Dreams and schemes and circus crowds

I've looked at life that way

But now old friends are acting strange

They shake their heads, they say I've changed

Well something's lost, but something's gained

In living ev'ry day

**I've looked at life from both sides now**

From win and lose and still somehow

**It's life's illusions I recall**

**I really don't know life at all**

**I've looked at life from both sides now**

**From up and down, and still somehow**

**It's life's illusions I recall**

**I really don't know life at all**
