Every Time You Go Away (extended version)

Par Paul Young

Album : Tomb of Memories: The CBS Years 1982–1994

Hey, if we can solve any problem

Why do we lose so many tears

Oh, so you go again

When the leading man appears

Always the same thing

Can't you see

We've got everything goin' on and on and on?

Every time you go away

You take a piece of me with you

Every time you go away

You take a piece of me with you

Go on and go free, yeah

Maybe you're too close to see

I can feel your body move

It doesn't mean that much to me

I can't go on sayin' the same thing

Just can't you see

We've got everything, do you even know we know?

Every time you go away

You take a piece of me with you, oh

Every time you go away

You take a piece of me with you

I can't go on sayin' the same thing

'Cause baby, can't you see

We've got everything goin' on and on and on?

Every time you go away

You take a piece of me with you

Every time you go away

You take a piece of me with you

Every time you go away

You take a piece of me with you

Every time you go away

You take a piece of me with you

Every time you go away

You take a piece of me with you

Every time you go away

You take a piece of me with you
