Straight Up

Par Paula Abdul

Album : Top 100 Dance Hits 4

Lost in a dream

I don't know which way to go (let me see if)

You are all that you seem

Then maybe I'm movin' the way too slow

I've been a fool before, wouldn't like to get my love caught in the slammin' door

How about some information, please?

Straight up now, tell me

Do you really want to love me forever? (oh-oh-oh)

Or am I caught in a hit and run?

Straight up now, tell me

Is it gonna be you and me together? (oh-oh-oh)

Or are you just having fun?

Time's standing still

I wait for some small clue (uh, let me tell ya)

I keep getting chills

When I think your love is true

I've been a fool before, wouldn't like to get my love caught in the slammin' door

How about some information, please?

Straight up now, tell me

Do you really want to love me forever? (oh-oh-oh)

Or am I caught in a hit and run?

Straight up now, tell me

Is it gonna be you and me together? (oh-oh-oh)

Or are you just having fun?

You are so hard to read

You play hide and seek with your true intentions

If you're only playin' games

I'll just have to say, "buh-bye, buh-bye"

Do, do you love me? (do, do you love me, baby?)

Do, do you love me? (do, do you love me, hey baby?)

Do, do you love me? (do, do you love me, baby?)

Come on now, do, do you love me? (do, do you love me?)

Tell me, baby

I've been a fool before, wouldn't like to get my love caught in the slammin' door

Are you more than hot for me or am I a page in your history book?

I don't mean to make demands, but the word and the deed go hand in hand

How about some information, please? (please, please, please, please)

Straight up now, tell me (tell me)

Straight up now, tell me (tell me)

Straight up now, tell me (tell me)

Straight up now, tell me

Straight up now, tell me

Straight up now, tell me

Do you really want to love me forever? (oh-oh-oh)

Or am I caught in a hit and run?

Straight up now, tell me

Is it gonna be you and me together? (oh-oh-oh)

Or are you just having fun?

Straight up now, tell me

Do you really want to love me forever? (oh-oh-oh)

Or am I caught in a hit and run?

Straight up now, tell me

Is it gonna be you and me together? (oh-oh-oh)

Or are you just having fun?
