Bee Girl

Par Pearl Jam

Album : In Rock We Trust

Bee girl

You're gonna die

You don't wanna be famous

You wanna be shy

Do your dances

Alone in your room

Becoming a star

Will become your doom

Bee girl, be a girl

Bee girl, be a girl

You know time is long

And life is short

Begin to live

While you still can

Believe in nothing

Believe me

Those who can be trusted

Can change their mind

When the anxious

Is the present

Unwrap your gifts

Take your time

Everything you imagine

Needn't be stuck in your mind

Bee girl, be a girl

Bee girl, be a girl

(Thank you)

So all you fools

Who sing just like him

Feel free to do so now

'Cause he's dead

Using

Using

Using

The using takes toll

Isolation

Just so, happy to be one

Sad to, sad to think

Sad to think of him all alone

Lonesome friend

We all knew

Always hoped

You'd pull through

No blame

No blame

No blame

It could be you

Using

You can't

Grow old

Using

So sing just like him, fuckers

It won't offend him

Just me

Because he's dead
