# Garden

Par Pearl Jam

*Album : Live At The Gorge [23-06-2006] -CD1-*

The direction of the eye

So misleading

The defection of the soul

Nauseously quick

I don't question our existence

I just question

Our modern needs

**I will walk with my hands bound**

**I will walk with my face blood**

**I will walk with my shadow flag**

**Into your garden**

**Garden of stone**

After all is done

And we're still alone

I won't be taken

Yet I'll go with my hands bound

**I will walk with my face blood**

**I will walk with my shadow flag**

**Into your garden**

**Garden of stone**

I don't show

I don't share

**I don't need**

What you have to give

Oh, I will walk with my hands bound

**I will walk with my face blood**

**I will walk with my shadow flag**

**Into your garden**

Garden

**I will walk with my hands bound**

I will walk into your garden

**Garden of stone**

I don't know

I don't care

**I don't need**

You for me to live
