# Rearviewmirror

Par Pearl Jam

*Album : Buffalo USA 05-10-2010*

I took a drive today

Time to emancipate

I guess it was the beatings made me wise

But I'm not about to give thanks, or apologize

I couldn't breathe, holdin' me down

Hand on my face

Pushed to the ground

Enmity gaged, united by fear

Forced to endure

### What I could not forgive

I seem to look away

Wounds in the mirror waved

It wasn't my surface most defiled

Head at your feet, fool to your crown

Pissed on my plate, swallowed it down

Enmity gauged, united by fear

Tried to endure

**What I could not forgive**

**Saw things**

**Saw things**

**Saw things**

**Saw things**

Clearer

Clearer once you, were in my rearviewmirror

I gather speed from you fucking with me

Once and for all

I'm far away

I hardly believe

Finally the shades, are raised, hey yeah

**Saw things so much clearer**

**Once you, once you (rearviewmirror)**

**Saw things so much clearer**

Once you, once you (rearviewmirror)

Saw things so much clearer

Once you, once you (rearviewmirror)

Saw things so much clearer

Once you, oh yeah
