Rearviewmirror

Par Pearl Jam

Album : Reading Festival (08/27/2006)

I took a drive today

Time to emancipate

I guess it was the beatings made me wise

But I'm not about to give thanks, or apologize

I couldn't breathe, holdin' me down

Hand on my face

Pushed to the ground

Enmity gaged, united by fear

Forced to endure

What I could not forgive

I seem to look away

Wounds in the mirror waved

It wasn't my surface most defiled

Head at your feet, fool to your crown

Pissed on my plate, swallowed it down

Enmity gauged, united by fear

Tried to endure

What I could not forgive

Saw things

Saw things

Saw things

Saw things

Clearer

Clearer once you, were in my rearviewmirror

I gather speed from you fucking with me

Once and for all

I'm far away

I hardly believe

Finally the shades, are raised, hey yeah

Saw things so much clearer

Once you, once you (rearviewmirror)

Saw things so much clearer

Once you, once you (rearviewmirror)

Saw things so much clearer

Once you, once you (rearviewmirror)

Saw things so much clearer

Once you, oh yeah
