# State Of Love And Trust

Par Pearl Jam

*Album : TD Banknorth Garden Boston, MA (05/25/2006)*

State of love and trust as I busted down the pretext

Sin still plays and a-preaches, but to half an empty court, uh-huh

And the signs are passin', grip the wheel, cannot read it

Sacrifice receiving the smell that's on my hands, hands, yeah

**And I listen for the voice inside my head**

Nothin', I'll do this one myself

Lay her down as priest does, should the Lord be a-countin'

Will be in my honor, make it pain-, painfully quick, uh-huh

Promises are whispered in the age of darkness

Want to be enlightened like I want to be told the end, yeah, yeah

And the barrel shakes aimed, oh, directly at my head

**Oh, help me, help me from myself**

And I listen from both sides of a friend

**Oh, nothin', I'll do this one myself**

**And I listen for the voice inside my head**

**Oh, nothin', I'll do this one myself**

And the barrel waits, trigger shakes, aimed right at my head

**Oh, help me, help me from myself**

**State of love and a trust and a**

**State of love and a trust and a**

**State of love and a trust and a**

State of love and

**State of love and a trust and a**

**State of love and a trust and a**

**State of love and a trust and a**

State of love and a trust
