Integral (2017 Remaster)

Par Pet Shop Boys

Album : Fundamental: Further Listening 2005 - 2007 (Reissue)

If you've done nothing wrong

You've got nothing to fear

If you've something to hide

You shouldn't even be here

Long live us the persuaded we

Integral collectively

To the whole project it's brand new

Conceived solely to protect you

One world

One reason

Unchanging

One season

If you've done nothing wrong

You've got nothing to fear

If you've something to hide

You shouldn't even be here

You've had your chance

Now we've got the mandate

If you've changed your mind

I'm afraid it's too late

We're concerned

You're a threat

You're not integral

To the project

Sterile

Immaculate

Rational

Perfect

Everyone has their own number

In the system that we operate under

We're moving to a situation

Where your lives exist as information

One world

One life

One chance

One reason

All under one sky

Unchanging one season

If you've done nothing wrong

You've got nothing to fear

If you've something to hide

You shouldn't even be here

You've had your chance

Now we've got the mandate

If you've changed your mind

I'm afraid it's too late

We're concerned

You're a threat

You're not integral

To the project

One world

One life

One chance

One reason

All under one sky

Unchanging one season

If you've done nothing wrong

You've got nothing to fear

If you've something to hide

You shouldn't even be here

You've had your chance

Now we've got the mandate

If you've changed your mind

I'm afraid it's too late

We're concerned

You're a threat

If you've done nothing wrong

You've got nothing to fear

If you've something to hide

You shouldn't even be here

We're concerned

You're a threat

You're not integral
