Let my Love Open the Door (E. Cola Mix)

Par Pete Townshend

Album : Take Me Home Tonight Soundtrack

When people keep repeating

That you'll never fall in love

When everybody keeps retreating

But you can't seem to get enough

Let my love open the door

Let my love open the door

Let my love open the door to your heart

When everything feels all over

Everybody seems unkind

I'll give you a four-leaf clover

Take all worry out of your mind

Let my love open the door

Let my love open the door

Let my love open the door to your heart

(To your heart

The only key to your heart

I can stop you from falling apart

Try today, you'll find this way

Come on and give me a chance to say

Let my love open the door

It's all I'm living for

Release yourself from misery

There's only one thing gonna set you free

That's my love

That's my love

Let my love open the door

Let my love open the door

Let my love open the door

Let my love open the door

When tragedy befalls you

Don't let it drag you down

Love can cure your problems

You're so lucky I'm around

Let my love open the door

Let my love open the door

Let my love open the door to your heart
