# Song is Over

Par Pete Townshend

*Album : Lifehouse Demos (Disc 2)*

**The song is over**

**It's all behind me**

I should have known it

She tried to find me

**Our love is over**

**They're all ahead now**

I've got to learn it

I'm going to sing now

**I'll sing my song to the wide open spaces**

**Sing my heart out to the infinite sea**

**Sing my visions to the sky high mountains**

**Sing my song to the free, to the free**

Sing my song to the wide open spaces

I sing my heart out to the infinite sea

**Sing my visions to the sky high mountains**

**Sing my song to the free, to the free**

When I walked in through the door

Thought it was me I was looking for

She was the first song I ever sang

But it stopped as soon as it began

**Our love is over**

**It's all behind me**

**They're all ahead now**

Can't hope to find me

**I'll sing my song to the wide open spaces**

**Sing my heart out to the infinite sea**

**Sing my visions to the sky high mountains**

**Sing my song to the free, to the free**

**I'll sing my song to the wide open spaces**

**Sing my heart out to the infinite sea**

**Sing my visions to the sky high mountains**

**Sing my song to the free, to the free**

**The song is over**

I'm left with only tears

I must remember

Even if it takes a million years

**The song is over**

**The song is over**
