Wanted Dread & Alive

Par Peter Tosh

Album : Wanted Dread & Alive

[[Chorus:]]

Said I'm wanted, dread and alive

By the evil forces

Said I'm wanted, dread and alive

Nowhere to hide

They are trying to find me

Babylon charge I for ganja

Which I know couldn't do

How could one man Gang Jah

Must be an ape from the zoo

[[Chorus]]

I've been accused for a shootin'

Which I know never do

Who dem in prison that willing dey

So I've got to pull my way through

[[Chorus]]

Yesterday was court day

And I-Man forget to go

Today my name is in my papers

And next warrant they will show

[[Chorus]]

Now I've got to

Judge two guns

To protect myself from men

'Cause I've never done nothin' wrong

And I hate traveling scared

[[Chorus]]
