One Ray of Sunlight

Par Phantom Planet

Album : The Guest (Reissue)

Goodness

Sometimes things get bad

But I swear I'm doing all I can

So try all you want to

I'm gonna try to

If I get one ray of sunlight to hold in my hand

Maybe we can be happy again

I'll try for one ray of sunlight to hold in my hand

Maybe we can be happy and then

Things don't go as I planned

But I swear I'm doing all I can

So try all you want to

I'm gonna try to

If I get one ray of sunlight to hold in my hand

Maybe we can be happy again

I'll try for one ray of sunlight to hold in my hand

Then I guess that this isn't the end

Maybe we can be happy again

Try all you want to

I'm gonna try to

If I get one ray of sunlight to hold in my hand

Maybe we can be happy again

I'll try for one ray of sunlight to hold in my hand

Then I hope that this isn't the end

Maybe we can be happy again

Maybe we can be happy again

Maybe we can be happy again
