Sussudio [1985]

Par Phil Collins

Album : I Love 80's (CD 04)

There's this girl that's been on my mind

All the time, Sussusudio oh oh

Now she don't even know my name

But I think she likes me just the same

Sussusudio oh oh

Oh if she called me I'd be there

I'd come running anywhere

She's all I need, all my life

I feel so good if I just say the word

Sussusudio, just say the word

Oh Sussusudio

Now I know that I'm too young

My life has just begun

Sussusudio oh oh

Ooh give me a chance, give me a sign

I'll show her anytime

Sussusudio oh oh

Ah, I've just got to have her, have her now

I've got to get closer but I don't know how

She makes me nervous and makes me scared

But I feel so good if I just say the word

Sussusudio just say the word

Oh Sussusudio, oh

Ah, she's all I need all of my life

I feel so good if I just say the word

Sussusudio I just say the word

Oh Sussusudio I just say the word

Oh Sussusudio I'll say the word

Sussusudio oh oh oh

Just say the word

Just say the word

Sussusudio oh oh oh

Sussusudio

Sussusudio

Sussusudio oh oh oh

Sussusudio

Just say the word

Sussusudio oh oh oh

Sussusudio

Just say the word...
