# Testify

Par Phil Collins

*Album : Love Songs*

I wanna testify

Testify my love for you

I'm here to testify

Testify my love for you

And I will do all that I can do for you

Together we will be together

Come on testify

Testify your love for me

Testify

Testify your love for me

You can be all the things you want to be

And together we will be together

**Every heart that's ever been broken**

**Knows these things must not go unspoken**

**Giving yourself, giving each other**

**The strength to lead on one another**

**I'll be there for you**

You'll be here for me

That is why I wanna testify

Testify my faith in you

Come on and testify

Testify your trust in me

You can be all the things we want to be

And together we can do it together

**Every heart that's ever been broken**

**Knows these things must not go unspoken**

**Giving yourself, giving each other**

**The strength to lead on one another**

**I'll be there for you**

I know you'll be here for me

**I wanna testify**

**Testify my love for you**

**I'm here to testify**

**Testify my love for you**

I will do the best things that I can do for you

To know together we will always be together, oh yeah

I wanna testify my love for you

(Testify)

Oh yes, I wanna testify

(Testify)

**Testify my love for you**

**(I wanna testify)**

I will do

(Testify)

All that I can do for you

(I wanna testify)

You know that, together

You know we'll always, always be together

I wanna testify

Testify

I wanna testify

I wanna testify

I wanna testify

I wanna testify

Testify

Testify

Together

Together we will be

Together forever

Forever
