# Last Dance For Angel Boy

Par Pill Friends

*Album : Child Sacrifice*

**cut off my hands**

theyre only pain

**i'm trying not**

to mix our blood

its not the same

its all the same

**getting high never coming down**

**cut off my hands**

they're only pain

**i'm trying not**

**to fix our lungs**

they're not the same

**to fix our lungs**

they're all the same

**getting high never coming down**

feels right to feel so wrong

**never coming down again**

feels wrong to feel so right

**never coming down again**
