Under Pressure / Rhythm Nation

Par Pink

Album : Happy Feet Two (Original Motion Picture Soundtrack)

happy feet two

happy feet two

Dan dan dan darararan (ba ban)

Dan dan daran

Dan dan dare (ba ban)

Dararan dandare

Dararan dandare

Pressure, pushing down on me

Pressing down on you. No man ask for

Under pressure, that takes a nation down

Splits a family in two, puts people on streets

Um ba ba be

Um ba ba be

De day da

De day da

It's the terror of knowing what this world is about

Watching some good friends scream "Let me out!"

Pray tomorrow take me higher

Pray tomorrow take me higher!

(Why? Oh, why? Tell me why)

Can't we give ourselves one more chance?

Why can't we give ourselves one more chance?

Why can't we give love, give love, give love, give love

Every now, every night,

Every hour (Give love, give love, give love, give love, give love)

Is love such an old fashioned word?

And love dares you to care for

The people on the edge of the night

And love dares you to change our way of

Caring about ourselves

This is our last dance

This is our last dance

This is ourselves

Penguins of the world unite

Strength in numbers, we can get it right

One time!
