Manta Ray

Par Pixies

Album : Rare Pixies [Promo]

All in a day

All for me

Trek across the space

It'll be just like they say

Ooh, ooh, ooh, ooh, ooh, yeah

Since I am told

Month number three

He has no memory

Of fliers in the night

Ooh, ooh, ooh, ooh, ooh, yeah

They went away

They went away

My manta ray is all right

My manta ray is all right

My manta ray is all right

My manta ray is all right

Police they say

My mother too

A fish from ocean blue

Above my head tonight

Ooh, ooh, ooh, ooh, ooh, yeah

There is a way

There is a way

My manta ray is all right

My manta ray is all right

My manta ray is all right

My manta ray is all right

My manta ray is all right

My manta ray is all right

My manta ray is all right

My manta ray is all right

My manta ray is all right

My manta ray is all right

My manta ray is all right

My manta ray is all right

All right
