With This Ring

Par Platters, The

Album : The Platters 20 Greatest Hits

With this ring I promise I'll always love you, always love you

With this ring I promise I'll always love you, always love you

They used to call me the wanderer

Who never wanted to settle down, yeah

But I'll tell you, baby

I wander no more, got to stay around 'cause

With this ring I promise I'll always love you, always love you

With this ring I promise I'll always love you, always love you

Got nothing but this old heart of mine

Baby, please, believe in me

Girl, you know, sweet heart

I'll always try to keep you satisfied, 'cause

With this ring I promise I'll always love you, always love you

With this ring I promise I'll always love you, always love you

With this ring I promise I'll always love you, always love you

With this ring I promise I'll always love you, always love you

Baby, I never thought so much love

Could fit in a little band of gold

But I'm telling you, darling

I feel it in my heart, got it in my soul

With this ring I promise I'll always love you, always love you

With this ring I promise I'll always love you, always love you
