# Revenge [Ft. Eminem]

Par P!nk

*Album : Violet*

(Mmm mmm mmm mmm mmm mmm mmm)

Like Leo in The Revenant

Abel in that Bible bit

Revenge is sweet isn't it?

I really, really hope for it

I know that it won't fix a thing

A song like this that I could sing for you

(Mmm mmm mmm mmm mmm mmm mmm)

All the feels you make me do

A nightmare fucking coming true

I wish I was a lawyer, I would sue you

Sue you, take your dog

Take your house, take your shoes, take your heart

Now here comes that singing part

(Mmm mmm mmm mmm mmm mmm mmm)

I'm daydreaming

Let me count the ways (let me count the ways)

How I'll get you (get you) oh how I'll make you pay

Babe, I'm hurtin' (hurtin')

And now you'll feel the same

That's my plan (that's my plan)

That's my plan

That's my plan

(Mmm mmm mmm mmm mmm mmm mmm)

We could do revenge, revenge, revenge, revenge

Together, together, together

We could take revenge, revenge, revenge

Revenge is sweet

(Mmm mmm mmm mmm mmm mmm mmm)

We could do revenge, revenge, revenge, revenge

**Together, together, together**

**We could take revenge, revenge, revenge**

**Revenge is sweet**

Now here's where girlfriends come in hand

Especially those that understand

Crime's a crime but listen man

Really cannot give a damn

We've all been through this kind of thing

Say the word we make it sting for him

**(Mmm mmm mmm mmm mmm mmm mmm)**

He can't just get away with it

Eye for eye you piece of shhh

You treat us like a garbage pit

Let me at him, wait for it, wait for it

Here comes that singing part

**(Mmm mmm mmm mmm mmm mmm mmm)**

I'm daydreaming (I'm daydreaming)

**Let me count the ways (let me count the ways)**

How I'll get you (oh I'll get you)

Or how I'll make you pay (you pay)

Babe, I'm hurtin' (I'm hurtin')

And now you'll feel the same (feel the same)

**That's my plan**

**That's my plan**

**That's my plan**

**(Mmm mmm mmm mmm mmm mmm mmm)**

**We could do revenge, revenge, revenge, revenge**

**Together, together, together**

**We could take revenge, revenge, revenge**

Revenge is sweet (oh oh revenge is sweet)

**We could do revenge revenge, revenge, revenge**

**Together, together, together**

**We could take revenge, revenge, revenge**

Revenge is sweet (revenge is sweet)

Well, in the beginning we

Felt like we was meant to be

I fell for you and skinned my knee

But hell with any injury

Eventually you'll get up gingerly

It feels like it'll take a century to heal

But just know that I will

(Mmm mmm mmm mmm mmm mmm mmm)

But fuck trying to make amends

I'd rather take revenge

You're stickin' safety pins inside

My atrium, your day begins at 8 p.m.

You hit the ATM in my Mercedes Benz

With all your lady friends, whores

Hit the club and you go out don't know a sum

'Cause when I calculate the times

You cheated and total up all the amounts

It doesn't add up 'cause you say that just

Giving out your number doesn't count (I hate you)

Then see me with someone new get mad

And flip it look how bad you spin it

First you turn your back on me then tell me that I stabbed you in it

Stabbed you in it (stabbed you in it

Stabbed you in it, stabbed you in it, stabbed you in it)

Slut!

So when you're driving

Driving to his house

And you pass me

While I'm driving to hers

Just remember

You cheated on me first (bitch)

You're a whore, you're a whore (I mean)

This is war

Fellas, ladies

**We could do revenge, revenge, revenge, revenge**

Together, together, together (ooooh)

**We could take revenge, revenge, revenge**

Revenge is sweet (so sweet, oh)

**We could do revenge revenge, revenge, revenge**

**Together, together, together**

**We could take revenge, revenge, revenge**

**Revenge is sweet**

(Fuck, yeah!) (Fuck, no!)
