Par P.O.D.

*Album : When Angels And Serpents Dance*

I gotta keep on movin'

I see dem comin' down Hollywood boulevard

And they won't stop Until dem find me

No time to hide I just keep ridin' on

I'm ridin'on

**When babylon come for I**

**'jah know I'll be ready**

**When the wicked man Come for I 'jah know I'll be ready**

**When babylon come for...**

For I

For I

For I

I'm in the fire Out here strugglin'

Rollin' down The sunset strip

Lord it's getting hard But I'm trying

So please forgive me But I'm hustlin' on

**I'm hustlin' on**

**I'm hustlin' on**

**When babylon come for I**

**'jah know I'll be ready**

**When the wicked man Come for I 'jah know I'll be ready**

**When babylon come for...**

For I

For I

For I

'jah

**When the wicked man come for I**

**'jah know I'll be ready**

**When babylon come for I**

**'jah know I'll be ready**

**When the wicked man come for I**

'jah now I'll be ready

Oh, God

The wicked man come for I

**'jah know I'll be ready**

Lord

**When babylon come for...**

For I

For I

For I

When the wicked man come for I

**'jah know I'll be ready**

Lord

Oh Gosh
