??? ??? ??? ????????????????

?? ?? ?? ????????????????

??? ??? ??? ????????????????????

?? ?? ?? ????????????????????

Knock it off

What's going on here?

Cut it out!

Don't touch me

????? Mind your head! Mind your head!

??? ??? ??? ????????????????????

?? ?? ?? ????????????????????

Rock it out

Jump around and let it out

Dance with me

??????? Mind your head! Mind your head!

Go wild, Break out, Watch out

Make it, Happen, Right on
