# Kissing The Day

Par Portishead / Mandalay

*Album : Pearl*

Nothing you say

Can hurt me now

Into the space

I fell, I fall

A strange river is deep and I

Into the dark I dive

**I took leave**

**Kissing the day**

**Took leave**

**Kissing your mouth**

**Supportively**

## Kissing the day

It took some time for me to try  
To learn to love this child of mine  
Not for nothing she survived  
Into this space  
I feel to find

## I took leave

## Kissing the day

## Took leave

## Kissing your mouth

## Supportively

## Kissing the day

Your saddest hour  
Is too late so cry  
Your tears could be  
Your saddest now

## I took leave

## Kissing the day

**Took leave**

**Kissing your mouth**

**Supportively**

**Kissing the day**

**I took leave**

**Kissing the day**

**Took leave**

**Kissing your mouth**

**Supportively**

**Kissing the day**
