# Mourning Air

Par Portishead

*Album : 2 for 1? Dummy + Portishead*

Did I see a moment with you

In a half lit world

I'm frightened to believe

I must try

If I stumble if I fall

**I'm reaching out in this mourning air, ohh**

Have I got the strength to ask

Beyond the window

I feel this fear alone

Until we have

**Total honesty**

If I tremble or fall

**I'm reaching out in this mourning air, ohh**

Should I feel a moment with you

To softly whisper

I crave nothing else so much

Longing to reveal

**Total honesty**

I can feel your touch

**I'm reaching out in this mourning air, ohh**

**I'm reaching out in this mourning air, ohh**
