# What Don't Belong to Me

Par Post Malone

*Album : F-1 Trillion*

I can wrap a rope around the moon

Tie it up and drag it down to you

Honey, if you ask me to

You know I'd try it

I can put some diamonds 'round your neck

Dancin' in a ruby-red sunset

Girl, if you don't wanna land this jet

Let's keep on flyin'

Every string, every chord, my guitar

I'll give you everything in the world but my heart

'Cause I gave half to them half-way lovers

I left some to them two drunk summers

Left a piece at the bar with the keys to my car

**I know I'm never gettin' it back**

**I lost a lot to that whiskey sippin'**

**I gave the rest to that rock star livin'**

**Take all of me, but there's one thing missin'**

**Baby, I can't give you what don't belong to me**

**(What don't belong to me, what don't belong to me)**

**What don't belong to me**

**(What don't belong to me, what don't belong to me)**

Mm

I can lay you down, I can change your life

Maybe not forever, no, but, baby, for the night

If I knew I'd meet you one day

I woulda never gave it all away

And I wish I could give you the best

'Cause you deserve much more than this hole in my chest

**'Cause I gave half to them half-way lovers**

**I left some to them two drunk summers**

**Left a piece at the bar with the keys to my car**

**I know I'm never gettin' it back**

**I lost a lot to that whiskey sippin'**

**I gave the rest to that rock star livin'**

**Take all of me, but there's one thing missin'**

**Baby, I can't give you what don't belong to me**

**(What don't belong to me, what don't belong to me)**

**What don't belong to me**

**(What don't belong to me, what don't belong to me)**

Oh, yeah

Yeah, you keep holdin' on, but it's gone when it's gone

And you can't replace it

**Baby, let's just face it**

**Baby, let's just face it**

'Cause I gave half to those half-way lovers

I left some to them two drunk summers

Left a piece at the bar with the keys to my car

I know I'm never gettin' it back

I gave a lot to that whiskey sippin'

I gave the rest to that rock star livin'

Take all of me, but there's one thing missin'

Baby, I can't give you what don't belong to me

(What don't belong to me, what don't belong to me)

Oh, what don't belong to me

(What don't belong to me, what don't belong to me)

Yeah, what don't belong to me

(What don't belong to me, what don't belong to me)

What don't belong to me

(What don't belong to me, what don't belong to me)

Oh, what don't belong to me
