Feel Good, Feel Better, Feel Wonderful

Par Prince

Album : Lotusflow3r

Feel better, feel good, feel wonderful

Feel better, feel good, feel wonderful

Feel better, feel good, feel wonderful

I could tell by the color of your energy field

U thought this game was over

Chemical peel

You tried to do me like my good brother steve

But eye got another funky

Trick up my sleeve

Expecting me to freak on you a little bit more

But you get nothin but well-wishes

And flowers galore

I mean no harm

I still got ur back

U can come and drink my wine

As a matter of fact

Just feel better, feel good, feel wonderful

Feel better, feel good, feel wonderful

Feel better, feel good, feel wonderful

I don't know what you thought
When you spit in my face
But this dimension ain't the time
Or the place
I don't know who told you you could
Stand next to me
Cuz eye got a guitar that could
Part the sea
Don't mean no disrespect
I ain't tryin' to brag
But that might b the same one that
Tapped on the crag
And brought fourth the water
That quenched ur thirst
And we'll keep feeding ya
But first things first!

Feel better, feel good, feel wonderful

Feel better, feel good, feel wonderful

Feel better, feel good, feel wonderful

Feel better

Feel good

If you think about how much time it took

Four you to try to get a page in my book

I feel so good right now

I just can't recall

What the ___ I was thinking when eye

Threw you the ball

It hit three bystanders after you touched it

Now they wanna sue me but they love me to much

Cuz they know eye wish them heaven and all of its gold

Same to you, come on let's groove

To the purple rock 'n roll

Feel better, feel good, feel wonderful

Feel better, feel good, feel wonderful

Feel better, feel good, feel wonderful

Better than good, better than good,

You know you should feel wonderful

Keep your mind in the vertical motion

Always looking up

Hit me!

Feel better, feel good, feel wonderful

Feel better, feel good, feel wonderful

Feel better, feel good, feel wonderful

Feel better, feel good, feel wonderful

Feel better, feel good, feel wonderful
