Irresistable Bitch (LP Version)

Par Prince

Album : The Hits/The B-Sides 3

Every friday night I call your butt up on the phone,

A deeper voice answers, says u're not at home,

If you think that I'm a fool, 4 fallin' 4 any line,

Then honey put down all your money and u'll beat me everytime

Irresistable bitch

I love the way you walk

Irresistable bitch

I love the way you talk

Irresistable bitch

I really dig the way u kiss

Irresistable...

Oh mama, I wish I could resist

My partners ask me why I take so much abuse

Why am I so faithful honey, why are u so loose

They say why am I the one who never gets to take u home...

They don't know the things u do 2 me, when we're alone

Irresistable bitch

I love the way u walk

Irresistable bitch

I love the way u talk

Irresistable bitch

Really dig the way u kiss

Irresistable...

Oh mama I wish I could resist,

Hurt me, hurt me

Ho-ho, Ho-ho

Ho-ho, Ho-ho

Stole all my heart, babe

Played it off like it was a joke

Stealin' all my heart babe 2 keep u by my side,

And bleed me 'til I'm broke

Hell if I know why I let u drive my car...

Don't I know that walkin', won't get me very far

Sure I know that cryin' over u is just in vain...

But all the things I lose goin' to add up to the all the things I've gain

Irresistable bitch

I love the way u walk

Irresistable bitch

I love the way u talk

Irresistable bitch

I really dig the way u kiss

Irresistable...

Oh mama, I wish I could re...

Hurt Me!

Stole all my heart, babe

And played it off like it was a joke

Stealin' all my heart babe 2 keep u by my side,

And bleed me 'til I'm broke

Everybody, everybody dance

Everybody, everbody

Everybody, everybody dance

Everybody...

Ho-ho, Ho-ho

Irresistable bitch

Irresistable bitch

Everybody, everybody dance
