All God's People

Par Queen

Album : Singles Collection vol.4-Headlong

So, all you people, give freely

Make welcome inside your homes (Oh)

Thank God you people, give freely (Yeah)

Don't turn your back on the lesson of the Lord

All prime ministers (Yeah) and majesty around the world, yeah

Open your eyes, look, touch and feel

Rule with your heart (Rule with your heart)

Live with your conscience (Live with your conscience)

And love, love and be-, love, love and be free

We're all God's people (We're all God's people)

Gotta face up, better grow up

Gotta stand tall and be strong

Gotta face up, better grow up

Gotta face up, better grow up

Gotta stand tall and be strong

Gotta face up, better grow up

We're all God's people (Gotta face up, better grow up) (Gotta face up, better grow up) Yeah, yeah

Yes, yeah, yes, "There was this magic light"

I said to myself

I'd better go to bed and have an early night

Then I, then I, then I, then I went into a dream

Rule with your heart and live with your conscience

We're all God's people, give freely (Yeah)

Make welcome inside your homes

Let us be thankful, he's so incredible

We're all God's people

We're all God's, we're all God's, we're all God's, we're all Gods, we're all God's-

We're all God's people

We're all God's-
