Another One Bites The Dust (Remastered 2011)

Par Queen

Album : Rock Klassiker: 80er & 90er

Ooh, let's go

Steve walks warily down the street

With the brim pulled way down low

Ain't no sound but the sound of his feet

Machine guns ready to go

Are you ready? Hey, are you ready for this?

Are you hanging on the edge of your seat?

Out of the doorway, the bullets rip

To the sound of the beat, yeah

Another one bites the dust

Another one bites the dust

And another one gone, and another one gone

Another one bites the dust

Hey, I'm gonna get you too

Another one bites the dust

How do you think I'm going to get along?

Without you, when you're gone

You took me for everything that I had

And kicked me out on my own

Are you happy, are you satisfied?

How long can you stand the heat?

Out of the doorway the bullets rip

To the sound of the beat, look out

Another one bites the dust

Another one bites the dust

And another one gone, and another one gone

Another one bites the dust

Hey, I'm gonna get you too

Another one bites the dust

Hey

Oh, take it

Bite the dust

Bite the dust

Another one bites the dust

Another one bites the dust, ow

Another one bites the dust, hey, hey

Another one bites the dust, hey-eh-eh

(Ooh, shut up)

There are plenty of ways you can hurt a man

And bring him to the ground

You can beat him, you can cheat him

You can treat him bad and leave him when he's down, yeah

But I'm ready, yes, I'm ready for you

I'm standing on my own two feet

Out of the doorway the bullets rip

Repeating the sound of the beat, oh, yeah

Another one bites the dust

Another one bites the dust

And another one gone, and another one gone

Another one bites the dust

Hey, I'm gonna get you too

Another one bites the dust

Shoot out

Ay-yeah

Alright
