Cool Cat (take #2)

Par Queen

Album : The Vaults – Demos+Rare Stuff

Ooh, yeah, yeah, yeah, yeah

Oh, you're taking all my sunshine away

Making out like you're the main line (I knew that)

'Cause you're a cool cat

Tapping on the toe with a new hat

Ooh, just cruising

Driving along with the swing king

Feeling the beat of my heart, oh

Feeling the beat of my heart

Ooh, you're a cool cat

Coming on strong with all the chit-chat

Ooh, you're alright

Hanging out and stealing all the limelight

Messing with the beat of my heart

Ooh, messing with the beat of my heart, yeah

You used to be a mean kid

Ooh, making such a deal of life

Ooh, you were wishing and hoping

And waiting to really hit the big time

But did it happen, happen?

No, you're speeding too fast, slow down, slow down

You better slow down, slow down

You really know how to set the mood

And you really get inside the groove, yeah

Cool cat

Tapping on the toe with a new hat

Ooh, just cruising

Driving along like the swing king

Feeling the beat of my heart

Feeling the beat of my heart, yeah

Feeling the beat of my heart

Can you feel it?

Feeling the beat of my heart, yeah, yeah

Feeling the beat of my heart

Ooh, ooh, feeling, feeling

Feeling every feeling, ooh
