# Friends Will Be Friends

Par Queen

*Album : Queen - Greatest Hits*

Another red letter day

So the pound has dropped, and the children are creating

The other half ran away

Taking all the cash and leaving you with the lumber

Got a pain in the chest

Doctors on strike, what you need is a rest

It's not easy, love, but you've got friends you can trust

**Friends will be friends**

**When you're in need of love**

**They give you care and attention**

**Friends will be friends**

**When you're through with life, and all hope is lost**

**Hold out your hand 'cause friends will be friends**

**Right 'til the end**

Now it's a beautiful day

The postman delivered a letter from your lover

Only a phone call away

You tried to track him down

But somebody stole his number

As a matter of fact

You're getting used to life without him in your way

**It's so easy now**

**'Cause you got friends you can trust**

**Friends will be friends**

**When you're in need of love**

**They give you care and attention**

**Friends will be friends**

**When you're through with life, and all hope is lost**

**Hold out your hand 'cause friends will be friends**

**Right 'til the end**

**It's so easy now**

**'Cause you got friends you can trust**

**Friends will be friends**

**When you're in need of love**

**They give you care and attention**

**Friends will be friends**

**When you're through with life, and all hope is lost**

Hold out your hand

**Friends will be friends**

**Right 'til the end**

**Friends will be friends**

**When you're in need of love**

**They give you care and attention**

Friends will be friends

When you're through with life, and all hope is lost

Hold out your hand 'cause right 'til the end

Friends will be friends, yeah, yeah
