Who Wants To Live Forever

Par Queen

Album : A Kind Of Magic

There's no time for us

There's no place for us

What is this thing that builds our dreams, yet slips away from us

Who wants to live forever

Who wants to live forever

Oh ooo oh

There's no chance for us

It's all decided for us

This world has only one sweet moment set aside for us

Who wants to live forever

Who wants to live forever

Ooh

Who dares to love forever

Oh oo woh, when love must die

But touch my tears with your lips

Touch my world with your fingertips

And we can have forever

And we can love forever

Forever is our today

Who wants to live forever

Who wants to live forever

Forever is our today

Who waits forever anyway?
