Jet City Woman

Par Queensryche

*Album : EMPIRE : 20TH ANNIVERSARY EDITION (DISC 2 : The Hammersmith Odeon London, England
November 15, 1990)*

Every time I leave

You say you won't be there

And you're always there

Every time I cry your name at night

You pull close and say it's alright

I look in your eyes, just like the rain

Washing me, rain wash over me

Touching your face, I feel the heat of your heartbeat

Echo in my head like a scream

What you do to me

Waited so long I can't wait another day without you

Jet city woman

It's a long way, home to my-

Jet city woman

I see her face everywhere

Can't get her out of my mind

Whenever I'm alone, I'm thinking

There's a part missing from my life

Wonder where I'd be without your love

Holding me together now I'm-

Watching the time tick, tick away

Face grows longer every day

Fortunes are lost on the women I've seen

But without you, I can't breathe

You're the air to me

Waited so long, I'm all alone thinking about you

Jet city woman

Got to find my way home to her

Jet city woman

I see her face everywhere I look

Jet city woman

Just a thousand miles and I'll be there

Jet city woman

To make the clouds go away

Time for some blue sky

Waited so long now the plane's delayed

And hour, reminds me of all our days apart

Hold on just a little longer

Jet city woman

Wonder where I'd be, you're the air to me

Jet city woman

Eyes like the rain, rain down on me

Jet city woman

No more nights alone, I'm almost home now

Jet city woman

Close my eyes, I'm there in my

Jet city
