You remind me of something

Par R. Kelly

Album : Confidential file

You remind me of something

I just can't think what it is

You remind me of my jeep

I wanna ride it

Something like my sound

I wanna pump it

Girl you look just like my car

I wanna wax it

And something like my bank account

I wanna spend it baby

It's something about your love that's got me going crazy

Baby you know I want you real bad

And girl I really like your freaky style, oh baby

How can I be down with you?

So get a little closer to my ride

I wanna get to know you lady

And hit me up on how to get inside you

Listen pretty baby

I wanna roll it, roll it, roll it

Is all I wanna do for you baby

Girl it's something kind of sexy

Goin' on about you baby

You remind me of my jeep

I wanna ride it

Something like my sounds

I wanna pump it

Girl you look just like my car

I wanna wax it

And something like my bank account

I wanna spend it baby

You remind me of my jeep

I wanna ride it

Something like my sound

I wanna pump it

Girl you look just like my car

I wanna wax it

And something like my bank account

I wanna spend it baby

Now I would like to take you on a ride tonight

Girl you know we'll have so much fun

And give you everything your body needs

Satisfaction guaranteed

So pull up to my bumper and let the system sound

Girl, I want cha' I can drive you crazy

And let me be the one to drop you off

Babe listen to me

I wanna roll it, roll it, roll it

Is all I wanna do for you baby

Girl it's something kind of sexy

Goin' on about you

You remind me of my jeep

I wanna ride it

Something like my sound

I wanna pump it

Girl you look just like my car

I wanna wax it

And something like my bank account

I wanna spend it baby

You remind me of my jeep

I wanna ride it

And something like my sound

I wanna pump it

Girl you look just like my car

I wanna wax it

And something like my bank account

I wanna spend it baby

Don't be alarmed

Don't be alarmed

I'm comin' through your door

I'm comin' through your door

I need you now

Turn off the lights yeah

There's somethin' about this moment

You remind me of my jeep

I wanna ride it

And something like my sounds

I wanna pump it

Girl you look just like my cars

I wanna wax it

And something like my bank account

I wanna spend it baby

You remind me of my jeep

I wanna ride it

Something like my sound

I wanna pump it

Girl you look just like my car

I wanna wax it

And something like my bank account

I wanna spend it baby

You remind me of my jeep

I wanna ride it

Something like my sound

I wanna pump it

Girl you look just like my car
