Banana Co(Acoustic)

Par Radiohead

Album : Pop Is Dead

Oh, Banana Co

We really love you and we need you

And oh, Banana Co

We'd really love to believe you

But everything's underground

We gotta dig it up somehow

Yeah, yeah

Oh, she said, ["No go"]

She said she'd like to, she's seen you

And oh, Banana Co

She knows if you die then we all do

And everything's underground

We've gotta dig it up somehow

Yeah, yeah

Everything's underground

We gotta dig it up somehow

Yeah, yeah
