Self Control

Par Raff

Album : Top 40 En Tipparade uit 1984

Oh, the night is my world

City lights, painted girls

In the day, nothing matters

It's the night-time that flatters

In the night, no control

Through the wall, something breakin'

Wearin' white as you're walkin'

Down the street of my soul

You take my self, you take my self control

You got me livin' only for the night

Before the morning comes the story's told

You take my self, you take my self control

Another night, another day goes by
I never stop myself to wonder why
You're makin' me forget to play my role

You take my self, you take my self control

I, I live among the creatures of the night

I haven't got the will to try and fight

Against a new tomorrow, so I guess I just believe it

That tomorrow never comes again

Night, I'm livin' in a moment of a dream
I know the night is not as it would seem
I must believe in something, so I'll make myself believe it
That this night will never go

Oh, the night is my world

City lights, painted girls

In the day, nothing matters

It's the night-time, that flatters

(Oh the night is my world) You take my self, you take my self control

(City lights, painted girls) You got me livin' only for the night

(In the day, nothing matters) Before the morning comes the story's told

(It's the night-time that flatters) You take my self, you take my self control

I say night

I live among the creatures of the night

I haven't got the will to try and fight

Against a new tomorrow, so I guess I just believe it

That tomorrow never knows

You take my self, you take my

You take my self, you take my

You take my self, you take my

You take my self, you take my

You take my self, you take my self control

You take my self, you take my self control

You take my self, you take my self control

You take my self, you take my self control
