Tell 'Em Like It Is

Par Rag'N'Bone Man

Album : Bluestown EP

Fry my chicken

And pour my rum

Wash my crack up and load my gun

Hold me now when im feeling low

Fuck with my money no

Spend my cash

dont ask where it came from

Tell my mother in respectable

I wash my clothes and clean my house

Tell em like it is

Tell it like it is

Tell it like it is

Tell em like it is

Only speak when you're spoken to

Tell your mother the same

Tell your sister better watch her mouth

Cuz i aint the one to blame

Keep your hair and your nails looking fine

Dont dress like no hoe

Dont be talking to any other guys

Baby tell em how it is

Tell it like it is

Tell it like it is
