11 It's Alright Now

Par Rahsaan Patterson

Album : Romantic Ballads V

I used to be

Your love fool

Believing every lie you told

Running to you

When you'd call

There to catch you when you'd fall

But then it became clear to me

You never really cared for me at all

It's alright

I'm gonna make it on my own

Baby

It's alright now

It's alright

I'm gonna make it on my own

Baby

It's alright

Alright now

Lying eyes

Deceiving smile

Hypnotized me every time

Until the day

That I was awakened

To the fact that you were never mine, no

Your heart's no more a mystery

I gave up on you loving me at all

It's alright

I'm gonna make it on my own

Baby

(Baby)

It's alright now

(Now)

It's alright

(Said it's alright)

I'm gonna make it on my own

(I'm gonna make it)

Baby

It's alright

(Said it's alright, now)

Alright now

It's alright

(Oh it)

I'm gonna make it on my own

Baby

(Baby)

It's alright now

(It's alright, now, now)

It's alright

(Said it's alright)

I'm gonna make it on my own

(I'm gonna make it)

Baby

It's alright

Alright now

And so you know wherever you are

I'm doing fine alone without you

Though it was hard to think I'd make it this far

Wherever you are I always get through to you

It's alright

Now it's become clear to me

You never really cared for me at all

It's alright

I'm gonna make it on my own

Baby

It's alright now

It's alright

(Say I)

I'm gonna make it on my own

(I'm gonna make...)

Baby

It's alright

I'm gonna make it on my own

It's alright

I'm gonna make it

(I'm gonna make it)

It's alright

I'm gonna make it on my own

Baby

It's alright now

It's alright

I'm gonna make it on my own

Baby

It's alright

Alright now

It's alright

I'm gonna make it on my own
