Long Live Rock 'n' Roll (take 1)

Par Rainbow

Album : Long Live Rock 'n' Roll

This is a song called, "Long Live Rock 'n' Roll", this one

Rock 'n' roll!

At the end of a dream

If you know where I mean

When the mist just starts to clear

In a similar way

At the end of today

I can feel the sound of writing on the wall

It cries for you

It's the least that you can do

Like a spiral on the wind

I can feel it screamin' in my mind

Long live rock 'n' roll

Long live rock 'n' roll

Long live rock 'n' roll

In a different time

When the words didn't rhyme

You could never quite be sure

On with the change

Simple but strange

You knew the feeling seemed to say it all

It cries for you

The love I'm tryna do

Like a spiral on the wind

I can feel it screamin' in my mind

Long live rock 'n' roll

Long live rock 'n' roll

Long live rock 'n' roll

I'm losing control, yeah, yeah

Long live rock 'n' roll

Long live rock 'n' roll

Long live rock 'n' roll

If you suddenly see

What has happened to me

You should spread the word around

Tell everyone here

It's so clear

Rise above it all on what they've found

It cries for you

Hey, what did you do?

Like a spiral on the wind

I can feel it screamin' in my mind

Long live rock 'n' roll

Long live rock 'n' roll

Long live rock 'n' roll

Oh, let it live

Oh, alright

Can we ask you to do us a favour at this point?

Right, get those hands together

Clap 'em up

Don't rush

Ah yes

I tell you what

I will sing something, what I'd like to do

Is to sing it just after me, alright?

So we'll try one first, we'll try the first one

Keep those hands up

Rock, rock, rock 'n' roll, yeah

Try again

Rock, rock, rock 'n' roll, yeah

(Rock, rock, rock 'n' roll, yeah)

Better, little bit, climbin'

Again, loud

Rock, rock, rock 'n' roll, yeah

(Rock, rock, rock 'n' roll, yeah) good, again

Rock, rock, rock 'n' roll, yeah

(Rock, rock, rock 'n' roll, yeah) again!

Rock, rock, rock 'n' roll, yeah

(Rock, rock, rock 'n' roll, yeah)

Oh, very good, you've got it

I think they've got it, Davey

Now we'll try this one

Keep those hands up, do this

Long live rock 'n' roll

(Long live rock 'n' roll) alright!

Long live rock 'n' roll, come on!

(Long live rock 'n' roll) one more!

Long live rock 'n' roll

(Long live rock 'n' roll) very nice

Great, you're great

How you can sing this late in the evening, I'll never know

Which applies to me as well, I think

Here we go

Live, live, live

Live, live

Long live rock 'n' roll

Long live rock 'n' roll

Long live rock 'n' roll

Long live rock 'n' roll

Long live rock 'n' roll

Long live rock 'n' roll

Give it up, give it up, give it up

It's alright, yeah

Rock 'n' roll, oh

Oh we're makin' free love, yeah

Live, live, live, live

We're gonna rock 'n' roll

Rock 'n' roll

Rock 'n' roll

Rock

Rock

Rock 'n' roll

Long live rock 'n' roll

Let it live

Thank you, alright, alright

Thank you so much, you were great
