# Pussy

Par Rammstein

*Album : Liebe Ist Für Alle Da: Special Edition (1)*

Too big, too small

Size does matter, after all

**Zu groß, zu klein**

Er könnte etwas größer sein

Mercedes-Benz und Autobahn

Alleine in das Ausland fahren

"Reise, Reise", Fahrvergnügen

Ich will nur Spaß, mich nicht verlieben

**Just a little bit**

Just a little bitch

**You've got a pussy**

**I have a dick, ah**

**So what's the problem?**

**Let's do it quick**

**So take me now before it's too late**

**Life's too short, so I can't wait**

**Take me now, oh, don't you see?**

**I can't get laid in Germany**

Too short, too tall

Doesn't matter, one size fits all

**Zu groß, zu klein**

Der Schlagbaum sollte oben sein

Schönes Fräulein, Lust auf mehr?

Blitzkrieg mit dem Fleischgewehr

Schnaps im Kopf, du holde Braut

Steck Bratwurst in dein Sauerkraut

**Just a little bit**

Be my little bitch

**You've got a pussy**

I have a dick, ah

So what's the problem?

Let's do it quick

So take me now before it's too late

Life's too short, so I can't wait

Take me now, oh, don't you see?

I can't get laid in Germany

Germany

Germany

You've got a pussy

I have a dick, ah

So what's the problem?

Let's do it quick

You've got a pussy

**I have a dick, ah**

**So what's the problem?**

Let's do it quick, quick

**You've got a pussy**

**I have a dick, ah**

**So what's the problem?**

**Let's do it quick**

**So take me now before it's too late**

**Life's too short, so I can't wait**

**Take me now, oh, don't you see?**

**I can't get laid in Germany**
