# Hardcore Feelings

Par Rave Allstars

*Album : Sunshine Live Vol 9*

Here we go again

Come show me your hardcore feelings

With your raving meanings

Cause I don't know the way to groove

I never learned to dance this fast

And I don't know how to move

When the beats tickin' hard

And the beats tickin' low

May I think it is unique

I rather like to dance with you

Like we did

cheek to cheek
