### C.C. Rider

Par Ray Charles

*Album : Georgia on My Mind*

See see rider, see what you have done, lord lord lord

Made me love you, now your man has come

You made me love you, now your man has come

I'm gonna buy me a pistol, just as long as I'm tall, lord lord lord

Kill my baby with the cannon ball

If she won't have me, she won't have no man at all

See see rider, where did you stay last night, lord lord lord

Came home baby, sun was shinin' bright

Your hair was all dark, and your clothes didn't fit you right
