Get on the Right Track Baby

Par Ray Charles

Album : Instinctively the Blues - Ray Charles

Get on the right track, baby

Get on the right track, baby

Get on the right track, baby, yeah

Come on home and treat me wrong again

Get on the right track, baby

Get on the right track, baby

Get on the right track, baby, yeah

Come on home and treat me wrong again

Yeah, I've been so blue and lonely

I've tried both night and day

But I'm beggin' you just one more time

Come back if you don't stay

Get on the right track, baby

Get on the right track, baby

Get on the right track, baby, yeah

Come on home and treat me wrong again

Yeah, I know you know I love you

And yet you broke my heart in two

But it's because I love you

That I don't care what you do

Get on the right track, baby

You better come on, now

Get on the right track, baby, yeah

Come on home and treat me wrong again, oh yeah

Well, I'm beggin' you one more time, baby

Down on bended knees

Please, please come back home

And give my poor heart ease

Get on the right track, baby

Get on the right track, baby

Get on the right track, baby, yeah

Come on home and treat me wrong one more again

That's what I say now
