I Got a Woman

Par Ray Charles

Album : Ray Charles the Classic Years

Whoaaa sometimes

Sometimes I get a little worried

Oh, but I wanna tell you it's alright now

Yeah be...

...cause I got a woman, way over town

Good to me, yes I have

I got a woman now, way over town

Good to me, oh yeah yeah!

She gives me money when I'm in need now

Yeah, she's a kind of friend indeed now

Said I got a woman, way over town now

Good to me, yes I have

She saves her loving, early in the morning

Just for me, oh yeah!

She saves her loving now, early in the morning

Just for me, oh yeah yeah!

She saves her loving, just for me!

Oh! love me now tenderly

I got a woman now, way over town now

I wanna say good to me, oh yeah!

She's there to love me

Both day and night

Never grumbles or fusses

Always treats me right

Never running in the streets and

Leaving me alone

She knows her place now

Right there now in her home

I got a woman, way over town

That's good to me, yes I have

I got a woman now, right here in Newport

I tell you she's alright, oh yeah!

She is my babe, don't you understand

Woah right now her loving man

Whoa I got a woman, way over town now

I wanna say good to me, yes I have

She's alright now, she's alright

She's alright now, she's alright

She gives me money when I'm in need

Yeah, she's a kind of friend indeed now

She saves her loving now, just for me!

And I know she love me tenderly

She's there to love me now, day and night

Whoa she love me, all right

She's my babe, she's my babe

She is my babe now, don't you understand

Well, ah aha aha aha aha ahaaa

Her loving man now, whoa ya ya ya ya ya ya ya ya ya

Say I know now, she's all right now

She's all right now, yeah I know

Well, ah aha, yeah I know, she's all right now

Well all right, whooo oh ouoh, yeah

Whoo oh ouoh, she's all right, well all right now

Ah aha aha, I got a woman now

I wanna tell you right now, she's all right now

My bop bo bo bo bo bo bo bo bo bo bo bo, she's all right

Well all right now, oh yeah, oh yeah now!

Oh yeah, oh yeah now!

Oh yeah, oh yeah now!

Oh yeah, whooo yeah!

You know I feel, so feel yeah

Sometimes I feel, no feel now

I say I feel, whoa feel all right

You know all right, you know all right

I feel all right, I feel all right

I got woman now, I got woman now

She make me feel all right

Whoaaah the time now, got feel all right

Whoah in the mornin' until the midnight

Every day and the every night

I feel all right, whooo whoaaah the time

Feel all right, I feel all right

I feel all right right now, I wanna know

If you feel all right, if you feel all right now

If you feel all right, if you feel all right

I feel all right, yeah yeah yeah

Feel all right, in my room now

I feel all right, whooo all the time

Feel all right, feel all right

Feel all right, feel all right
