I Hate You. I Love You

Par REASON

Album : Unknown

Feeling used, but I'm still missing you

And I can't see the end of this

Just wanna feel your kiss against my lips

And now all this time is passing by

But I still can't seem to tell you why

It hurts me every time I see you

Realize how much I need you

I hate you, I love you

I hate that I love you

Don't want to, but I can't put nobody else above you

I hate you, I love you

I hate that I want you

You want her, you need her

And I'll never be her

I miss you when I can't sleep
Or right after coffee, or right when I can't eat
I miss you in my front seat
Still got sand in my sweaters from nights we don't remember
Do you miss me like I miss you?
Fucked around and got attached to you
Friends can break your heart too
And I'm always tired, but never of you
If I pulled a you on you, you wouldn't like that shit
I put this reel out, but you wouldn't bite that shit
I type a text, but then I never mind that shit
I got these feelings, but you never mind that shit
Oh, oh, keep it on the low
You're still in love with me, but your friends don't know
If you wanted me, you would just say so
And if I were you, I would never let me go

I hate you, I love you

I hate that I love you

Don't want to, but I can't put nobody else above you

I hate you, I love you

I hate that I want you

You want her, you need her

And I'll never be her

I don't mean no harm, I just miss you on my arm
Wedding bells were just alarms
Caution tape around my heart
You ever wonder what we could have been?
You said you wouldn't and you fucking did
Lie to me, lie with me, get your fucking fix
Now all my drinks and all my feelings are all fucking mixed
Always missing people that I shouldn't be missing
Sometimes you gotta burn some bridges just to create some distance
I know that I control my thoughts and I should stop reminiscing
But I learned from my dad that it's good to have feelings
When love and trust are gone
I guess this is moving on
Everyone I do right does me wrong
So every lonely night, I sing this song

I hate you, I love you

I hate that I love you

Don't want to, but I can't put nobody else above you

I hate you, I love you

I hate that I want you

You want her, you need her

And I'll never be her

All alone, I watch you watch her

Like she's the only girl you've ever seen

You don't care, you never did

You don't give a damn about me

Yeah, all alone, I watch you watch her

She is the only thing you've ever seen

How is it you never notice

That you are slowly killing me?

I hate you, I love you

I hate that I love you

Don't want to, but I can't put nobody else above you

I hate you, I love you

I hate that I want you

You want her, you need her

And I'll never be her
