Californiacation

Par Red Hot Chili Peppers

Album : The Best Of Red Hot Chilli Peppers

Psychic spies from China try to steal your mind's elation
And little girls from Sweden dream of silver-screen quotation
And if you want these kind of dreams

It's Californication

It's the edge of the world, end all of western civilization
The Sun may rise in the East, at least it's settled in the final location
It's understood that Hollywood sells Californication

Pay your surgeon very well to break the spell of aging

Celebrity skin, is this your chin, or is that war you're waging?

Dream of Californication

Marry me, girl, be my fairy to the world, be my very own constellation

A teenage bride with a baby inside, gettin' high on information

And buy me a star on the boulevard

It's Californication

Space may be the final frontier, but it's made in a Hollywood basement

And Cobain, can you hear the spheres, singing songs off station to station?

And Alderaan's not far away

It's Californication

Born and raised by those who praise control of population

Well, everybody's been there, and I don't mean on vacation

Dream of Californication

Destruction leads to a very rough road, but it also breeds creation

And earthquakes are to a girl's guitar, they're just another good vibration

And tidal waves couldn't save the world from Californication

Pay your surgeon very well to break the spell of aging

Sicker than the rest, there is no test, but this is what you're craving
