This Is the Kitt

Par Red Hot Chili Peppers

Album : This Is the Kitt / Brave From Afar

C'mon, c'mon, c'mon, c'mon

This is the kitt, I can't compare

A delicate new arrival

Check the commute, I do declare

Lets sing a new revival

Chemical circus at the pub

Mentally she's departed

Cut me a check, I'll cut your rug

Later we'll get bombarded

Everybody knows

The game is full of highs and lows

Like your mother said

Girl, your father's dead everybody knows

That life is full of highs and lows

Is there always red in your wedding bed?

Oh, everybody knows

Officer please, I just got there

Traveled from door to door

Haven't you seen my girlfriend's hair?

What are we looking for?

Everybody knows

The game is full of highs and lows

Like your mother said

Girl, your father's dead everybody knows

The day is full of highs and lows

Is there always red in your wedding bed?

Oh, everybody knows

(Talk to me)

This is the kitt, I can't compare

A delicate new arrival

Check the commute, I do declare

I think we have our bible

Everybody knows

The game is full of highs and lows

Like your mother said

Girl, your father's dead everybody knows

That life is full of highs and lows

Is there always red in your wedding bed?

Take me to the shore show me what it's for

Is there always red in your wedding bed?

Everybody knows

This game is full of cons and pros

Like your mother said

Girl, your father's dead everybody knows
