# Letter Never Sent

Par R.E.M.

*Album : Reckoning [A&M Records UK]*

It's been pretty simple so far

Vacation in Athens is calling me

And knock, knock, knock on wood

I thought I'd left you behind

**Heaven is yours, heaven is yours**

**Heaven is yours where I live**

I followed the catacombs

Left my soul at home

This letter never sent

**And it's so far, it's so dark, I'm so lost**

**Heaven is yours, heaven is yours**

**Heaven is yours where I live**

**(Another story, another story for a while, someone show me)**

When I'm moving too fast

Here's my new address

The water's receiving me now

The catacombs are filling in

If my soul was made of stone

No, not, not so dark, dark

**And it's so far, it's so dark, I'm so lost**

And it's so far, it's so far, it's so far

**Heaven is yours, heaven is yours**

**Heaven is yours where I live**

**(Another story, another story for a while, someone show me)**

**Heaven is yours, heaven is yours**

**Heaven is yours where I live**

**(Another story, another story for a while, someone show me)**
