Me in Honey

Par REM

Album : Out of Time

I sat there looking ugly, looking ugly and mean

I knew what you were saying, you were saying to me

Baby's got some new rules

Baby said she's had it with me

It seems a shame to waste your time on me

Seems a lot to waste your time for me

Left me to love

What it's doing to me

There's a lot of honey in this world

Baby this honey's from me

Got to do what you do

Do it with me

It seems a shame to waste your time for me

Left me to love

What it's doing to me

Knocked silly, knocked flat, sideways down

These things they pick you up and turn you around

Say your piece

Say you're sweet for me

It's all the same, share the pain with me

It's all the same, save the shame for me

Left me to love

What it's doing to me

Baby's got some new rules

Baby said she's had it with me

There's a fly in the honey

And baby's got a baby with me

That's a part, that's a part of me

Left me to love

What it's doing to me

Left me to love

What it's doing to me

What about me?

What about me?
