My Arms Keep Missing You

Par Rick Astley

Album : Top 40 En Tipparade uit 1987

You know I've been so lonely, every night

Since you went away

Would you let me down, any night

Is that the way you're made girl

I keep telling myself it's all right

Even though I cry

There's no question why

How could I be happy when

My arms keep missing you

Who's been kissing you

Since you went away

My arms keep missing you

I keep wishing you'd

Come back today

You said you wouldn't hurt me anyway

And I believe in you

We said we trust each other every day

We'd never be untrue

But I keep thinking you're telling lies

Even though I try

There's no question why

How can I be happy when

You know I've been so lonely, every night

Since you went away

Would you let me down, any night

Is that the way you're made girl

I keep telling myself it's all right

Even though I cry

There's no question why

How could I be happy when
